

**Lowry Community Master Association**  
**Board of Directors Candidates**

**Scott Colvin**

As a community member of Lowry, I am interested in continuing to improve Lowry for everyone, families and businesses alike. With a family (three young children) who enjoys outdoor activities, maintaining and improving the multi-modal activity is important as development continues. I hope my background as a civil engineer can add to an already successful LCMA Board. Thank you for your consideration.

**Evan Pfaff**

Hello, I am Evan Pfaff, and have been a Lowry resident for nine years, between two homes. Currently we live near Lowry Elementary, where I have a second grader, and next year will have a kindergartner. I work in IT for the City and County of Denver and look forward to helping to keep Lowry one of the most desirable places to live in the metro area.

**Zach Myhra**

Thank you for your consideration in the LCMA Board election. I currently work in property management of over 100 acres. I am excited to utilize my experience to represent the residents of Lowry in order to maintain and improve the value of our great community, its businesses and the experience of our guests.

**Brigitte Sinclair**

I have enjoyed serving the LCMA for the last two years, both on the Board and on the Buildings and Grounds Committee. Lowry is a unique community that has so much to offer with its history, location, outdoor space, schools, recreation and entertainment. As a homeowner and mother of two young children, I want to continue to see this community thrive and evolve in an appropriate way to support all for our residential and commercial residents. It is my goal to work to maintain a community that is attractive for existing and new individuals, families, and businesses through appropriate maintenance of its outdoor space, its properties and thereby their valuations, and its dining and entertainment for years to come.
